### What MITCHELL Says

Now, here is where I am going  
to brag a bit, but I am only  
going to tell you a few things  
you know already. Now about  
my HOME MADE CANDY. Ex-  
cuse me if I say, that taken as  
a line, it cannot be excelled. It  
has certain fine points that you  
will find in no other candy.

The Candy Pudding I make is  
never crumbly, but is always  
smooth and creamy, and the pea-  
nut candy, well, I don't think I  
am wrong if I tell you, that I  
am the only person in this  
country who can make it. Others  
can make peanut, but not like  
I make.

My cream candy will melt in  
your mouth and the several  
kinds of taffy are in a class not  
to be found anywhere else.

Have you tried my hot choco-  
late, if not you have been miss-  
ing a good thing. Only 5c a  
cup and the ladies say it is the  
"best ever."

Yours Truly,  
C. B. MITCHELL.
